Joint Petition of Fairfield Electric Cooperative, Inc., Newberry Electric Cooperative, Inc., Tri-County Electric Cooperative, Inc., and South Carolina Electric & Gas Company for the Assignment and Reassignment of Territory in Fairfield, Kershaw, and Richland Counties and Approval of Agreements to Limit Corridor Rights.

JOINT PETITION FOR ASSIGNMENT
AND RE-ASSIGNMENT OF TERRITORY

Fairfield Electric Cooperative, Inc. ("Fairfield Electric"), Newberry Electric Cooperative, Inc. ("Newberry Electric"), Tri-County Electric Cooperative, Inc. ("Tri-County Electric"), and South Carolina Electric & Gas Company ("SCE&G") (collectively, the "Petitioners") hereby jointly petition the Public Service Commission of South Carolina (the "Commission") for assignment and reassignment of certain territory in Fairfield, Kershaw, and Richland Counties and approval of agreements to eliminate "corridor rights" in the specified areas. This Joint Petition is made pursuant to The Territorial Assignment Act, S.C. Code Ann. §§ 58-27-610 to -690 (2015).

### I. Introduction

In support of this Joint Petition, Petitioners allege and show unto the Commission the following:

1. SCE&G is a corporation organized and existing under the laws of the State of South Carolina. Further, SCE&G is, in part, an electrical utility engaged in the generation, transmission, distribution, and sale of electricity to the public for compensation. SCE&G's retail electric operations are subject to the jurisdiction of the Commission. Additionally, SCE&G is an electric supplier as defined by the Territorial Assignment Act. S.C. Code Ann. § 58-27-610(1) (2015).

- 2. Fairfield Electric, Newberry Electric, and Tri-County Electric are subject to the limited jurisdiction of the Commission as an electric supplier as defined by the Territorial Assignment Act. S.C. Code Ann. § 58-27-610(1) (2015).
- 3. The Commission may assign to electric suppliers areas outside the corporate limits of municipalities and that are more than 300 feet from the lines of electric suppliers. S.C. Code Ann. § 58-27-640 (2015).
- 4. Upon agreement of the affected electric suppliers, the Commission may reassign portions of previously assigned service areas. S.C. Code Ann. § 58-27-650(A) (2015).
- 5. The Commission has the authority to approve agreements between electric suppliers concerning corridor rights. The Commission shall approve those agreements if, after giving notice and an opportunity for hearing to interested parties, it finds the agreements to be fair and reasonable. S.C. Code Ann. § 58-27-620(8) (2015).
- 6. The Commission has previously exercised its statutory authority and assigned electric service territories within the affected portions of Fairfield County, South Carolina, to Fairfield Electric, Newberry Electric, and SCE&G.
- 7. The Commission has previously exercised its statutory authority and assigned electric service territories within the affected portions of Kershaw County, South Carolina, to Fairfield Electric, Tri-County Electric, and SCE&G.
- 8. The Commission has previously exercised its statutory authority and assigned electric service territories within the affected portions of Richland County, South Carolina, to Fairfield Electric and SCE&G.
- 9. The herein proposed assignment and re-assignment of territories among the Petitioners will not cause any customers to change their service; that is, no customers will be affected by the Joint Petition.
- 10. **Exhibit 1**, attached to this Petition and incorporated herein by reference, is the "Key Map" that depicts the present and proposed assignment of territories in the affected portions of Fairfield County. This Key Map is the result of lengthy good faith negotiations between Fairfield Electric, Newberry Electric and SCE&G to assign and re-assign various territories within Fairfield County. The characteristics of the Key Map are as follows:

- i. On **Exhibit 1**, territory that is shaded in dark yellow is presently assigned to SCE&G, Fairfield Electric or Newberry Electric, but the Petitioners request that the territory hereafter be unassigned.
- j. On **Exhibit 1**, the area that is shaded in purple represents a municipality; electric service within the municipality's boundary is governed by the municipality pursuant to certain franchise agreements. Therefore, electric service within this area is not affected by the Joint Petition.

By making the assignments of territory in the manner described in this Petition, Fairfield Electric, Newberry Electric, Tri-County Electric, and SCE&G have given careful consideration to system economy, service reliability and good utility practice, efficiency and safety all of which support a finding that the assignment of territory set forth herein promotes public convenience and necessity. Moreover, the assignment and reassignment of these territories will avoid the duplication of utility facilities in these areas.
- 25. Petitioners respectfully request that the Commission determine this matter solely on the basis of this filing unless there are protests or petitions to intervene, and in that event, to set this matter for hearing and determination at the earliest possible date.

WHEREFORE, Fairfield Electric Cooperative Inc., Newberry Electric Cooperative, Inc., Tri-County Electric Cooperative, Inc., and South Carolina Electric & Gas Company, having jointly made petition to the Commission, pray that the Commission issue its order:
